CALL FOR PROPOSALS

Excellence in Teacher Education: 2010 and Beyond

The IATE Planning Committee invites proposals pertaining to the 2009 conference theme, “*Excellence in Teacher Education: 2010 and Beyond.*” In keeping with ATE’s Standards for Teacher Educators, the fall conference will focus on how Illinois teacher educators are addressing the knowledge and performance indicators for the national standards. We believe the Fall IATE Conference will serve as a spring board for the National ATE Conference in Chicago in February as the latter’s theme, *ACTION: An Inclusive Vision for Teacher Education*, is largely focused on ATE’s Professional Teaching Standards.

The Standards

STANDARD 1: Teaching

Model teaching that demonstrates content and professional knowledge, skills and dispositions reflecting research, proficiency with technology and assessment, and accepted best practices in teacher education.

STANDARD 2: Cultural Competence

Apply cultural competence and promote social justice in teacher education.

STANDARD 3: Scholarship

Engage in inquiry and contribute to scholarship that expands the knowledge base related to teacher education.

STANDARD 4: Professional Development

Inquire systematically into, reflect on, and improve their own practice and demonstrate commitment to continuous professional development.

STANDARD 5: Program Development

Provide leadership in developing, implementing, and evaluating teacher education programs that are rigorous and grounded in theory, research, and best practice.

STANDARD 6: Collaboration

Collaborate regularly and in significant ways with relevant stakeholders to improve teaching, research and student learning.

STANDARD 7: Public Advocacy

Serve as informed, constructive advocates for high quality education for all students.

STANDARD 8: Teacher Education Profession

Contribute to improving the teacher education profession

STANDARD 9: Vision

Contribute to creating visions for teaching, learning, and teacher education that take into account such issues as technology, systemic thinking, and world views.

The planning committee recognizes that some proposals may align with more than one standard. Those submitting proposals are therefore encouraged to think about how their work might connect with more than one of the standards. It is important that as a profession we define our knowledge base and the impact of our research on PK-12 students and teachers. This is an excellent opportunity for each of us to inform the educational community of our work.

Types of Sessions/Presentations:

- **Paper Presentations** – Single paper presentations provide an opportunity for authors to share their work. Typically, presentations last 30-35 minutes with 10-15 minutes for discussion.

- **Panel Presentations**—Multiple presenters provide a variety of perspectives on an issue related to the conference theme and are organized and chaired by one of the presenters. Typically, each individual presentation lasts 10 minutes with 15-20 minutes for discussion.
- **Poster Presentations**—Poster sessions combine the graphic display of materials with the opportunity for individualized, informal discussion of the research. All poster presentations will be organized in a single area at a single time for conference participants to be able to visit as many as possible. This is a wonderful way for preservice teachers (undergraduate & graduate) & others to informally share their work.

Proposal Submissions Must Include

Proposal Format is double-spaced, one-inch margins, and no more than 2-3 pages for Section II. Because proposals are subject to blind review (refereed), presenters' names should not be included in Section II.

- I. **Cover Page:** Include A) Title of Proposal; B) Type of Presentation; C) Name of Session Organizer & Contact Information; D) Name and Institution/School of each additional presenter; and E) a 35 word or less description for inclusion in the conference program (1 page).

Audio-Visual: Screens will be provided. Presenters are responsible for all other AV equipment.

- II. **Description of Paper, Panel or Poster:** Include A) title of proposal; B) purpose or objectives of work; C) relationship to the conference theme; D) Abstract; and E) planned audience involvement (2-3 pages).
